Dear Mr. Gaudiosi,

We wanted to let you know that effective February 3, 2022, we are increasing the rates of some of our services to reflect the increased costs of doing business, particularly the rising costs of TV programming. We will begin communications to our customers 30 days prior to the increase, which will appear as a message on their bill.

We don't make this decision lightly as we know that any bill increase can have an impact. With that in mind, we remain strongly committed to helping our customers however we can during these unprecedented times.

Listed below is a list of our upcoming price changes.
